MORTISE LOCK SERIES

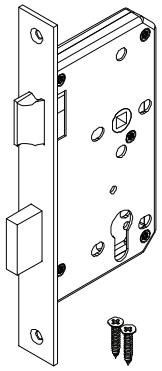

Installed securely within the door stile, the mortise lock provides a strong, concealed foundation for the complete locking system. Its integrated construction combines durability, smooth operation, architectural flexibility, and a clean finished appearance while efficiently driving the locking components.

Features

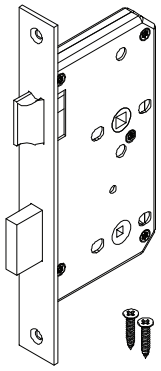

- **Concealed mortise installation**
- **Integrated latch and deadbolt functions**
- **Designed for frequent operating cycles**
- **European-profile cylinder compatibility**
- **Corrosion-resistant components**
- **Two Faceplate Finishes Available**
- **Matching Fastener Finish**

***The company has an ongoing development program and therefore reserves the right to make alterations without notice. Products that are not stocked items will be subject to longer lead times. Please confirm with your Radisson representative.**

Maintenance

We recommend that all moving components are lubricated using a non-acidic mineral oil at least twice a year and surface cleaned with a damp cloth. The product may need to be adjusted to ensure satisfactory operation. *(Refer to the detailed Multi-Point Care & Maintenance Document TS-11-EN_1.2)*

Warranty

In the unlikely event that a Radisson multi-point door lock product fails within a ten (10) year period from the date of purchase due to defective materials or workmanship, Radisson Industries, at its sole discretion, will either replace the defective product or refund the original purchase price.*(Refer to the detailed Multi-Point Warranty Document TS-05-EN_1.2)*
