STANDARD HANDLE SET (suite)

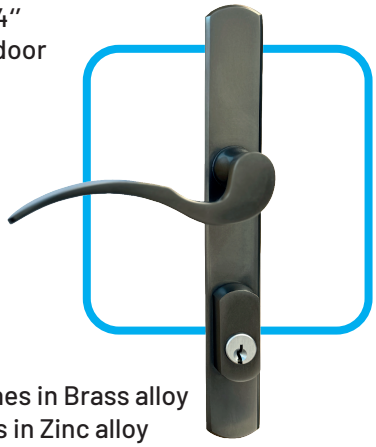

FUSION

The Fusion Door Handle blends two refined designs: the classic, colonial-style curved lever of the Oakmont handle and the sleek, narrow faceplate of the Turnberry. Designed with impressive versatility, it is suitable for both single and double door applications. It features weatherproof gaskets, widely available and easy-to-cut key blanks, and an effortless lever installation, delivering safety and security in equal measure.

Features

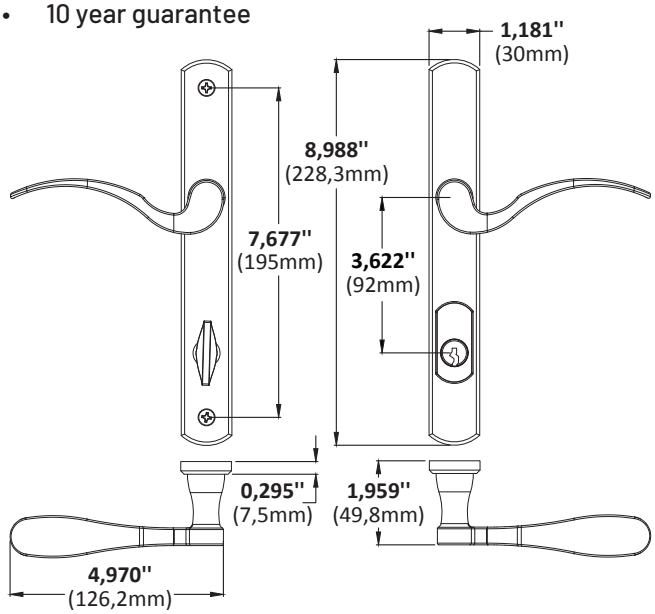

- Active, inactive and dummy variants to suit single and double door applications
- Available in several finishes *(regular & PVD)* with color coded screw heads for aesthetic
- Innovative, easy to fit lever with weatherproof gaskets
- Easy to cut key blanks
- Standard 1-3/4" Or 2-1/4" (45mm or 57mm) Thick door

Specifications

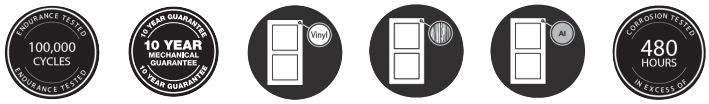

- Decorative Plated Finishes in Brass alloy
- Powder-Coated Finishes in Zinc alloy
- Mechanically load tested to 30Nm
- Tested to a minimum of 100,000 cycles
- 10 year guarantee

DSH-2333-117	Fusion Dummy Zinc Door Handle Set - Satin Silver

Maintenance:

Use mild soapy water, rinse thoroughly, and dry with a soft cloth. For added protection, a carnauba-based car wax may be applied. Ensure it contains no abrasives and follow the manufacturer's instructions. When properly maintained, the finish will last for years to come. *(Refer to the detailed Finishes Care & Maintenance Instructions Document TS-02-EN_1.2)*
