VAULT AUTOMATIC DOOR LOCK HANDLE SETS

ROYAL

Introducing the Royal Multi-Point Locking Handle, a refined blend of security and elegance. This premium handle is available in both Tubular Entry Set and Full Dummy Set configurations, designed to complement doors with a standard thickness of 1-3/4" (45mm). Measuring 16.8" (427mm) in height and 3.2" (81.3mm) in width, its classic traditional design brings a touch of timeless sophistication to any entryway. The Royal handle is where durability meets distinguished style.

Maintenance:

Use mild soapy water, rinse thoroughly, and dry with a soft cloth. For added protection, a carnauba-based car wax may be applied. Ensure it contains no abrasives and follow the manufacturer's instructions. When properly maintained, the finish will last for years to come. *(Refer to the detailed Finishes Care & Maintenance Instructions Document TS-02-EN_1.2)*
